

# Sud Academy Update

April 2011

Welcome to our first newsletter of 2011! Term one is already finished at Sud Academy, and April is a school holiday month in Kenya. However, students often return to Sud Academy to receive extra lessons during this time.

***Thanks again for your prayers, interest and support for these dedicated students!***

In this newsletter, we would like to share a letter from a secondary student named Zena Achalla, head girl at Sud Academy. We hope you enjoy reading it!

#### **Fundraising news:**

A big thank you to the following schools for raising funds to help us educate students like Zena:

- \* London District Christian Secondary School
- \* Ottawa Christian School
- \* John Knox Christian School, Woodstock

To our donors ~

Kindly receive this greeting from the students at Sud Academy. How are you?

We are doing well. Our teachers are committed, our principal is hard-working, and we have covered much of the material for Term 1. We appreciate the daily lunch and the clean water we receive at Sud, and we get back to our studies soon after lunch. We are hoping that more desks might be supplied this year, and also the new textbooks. A school trip is also something we hope for. Both boys and girls sports teams are doing well in the friendly matches we participate in.

Thank you!

By your faithful student, Zena Achalla.
