

# Sud Academy Update

September 2012

This is the second newsletter to our supporters for 2012. We hope you enjoy reading about some of the recent activities at Sud Academy!

Recently, a letter exchange project occurred between the Grade 5 classes at Sud Academy and Ottawa Christian School. Students at both schools were excited to write letters to one another. They wrote about their family, school, teachers, best subjects, hobbies and favourite foods.

What very different circumstances these pupils are growing up in, yet each one of them has so much God-given potential to make the world a better place!

Currently, term 3 is beginning at Sud Academy and everyone is preparing for the final exams at the end of the term.

This is a particularly stressful time for students in their final year of primary and secondary level, as well as their teachers!

Some highlights from staff:

- 54 students have registered for a one day small business workshop being organized by a businesswoman from the U.K.
- Teachers have been reporting for duty despite the fact that there is a teacher's strike occurring in Kenya
- A PhD student has been engaging with staff to learn more about the situation of urban refugee education
