

Sud Academy Update

April 2018

Welcome to our first newsletter of 2018! The school opened its doors the first week of January and welcomed previous students as well as some new faces of those who left the refugee camp and came to Nairobi to pursue their education.

Report from Staff:

- Strategic meeting were held at the beginning of the term
- Registrations for final exams were done for 48 pupils in both primary and secondary level
- A laser printer was purchased for the school, which will help to reduce photocopying costs

A full copy of this report can be found on our website www.sudacademy.net/newsletter

During this term, Christian Mission Aid provided workshops to students on topics such as personal hygiene and reproductive health. A team of missionaries took their time to engage boys and girls on matters to do with drug abuse, career choices and etiquette.

A professional photographer visited the school and took many photos. A link to her blog can be found here: www.sudacademy.net/events

Diverse abilities and gifts of creativity were exhibited during an art workshop was provided by Shannon Wirrenga, a professional artist from the U.S.A. Both boys and girls who had an interest and passion for painting and drawing sketches had a good time unleashing their artistic potential!
