

Sud Academy Update

May 2012

Welcome to our first newsletter of 2012! There is much to write about regarding Sud Academy, as it's been a busy term. We're also pleased to report on one of our graduates who has returned to Southern Sudan and found employment in his homeland.

A busy first term

The first term of 2012 has been a busy one at Sud Academy. One item of note is that they have partnered with a school called Brookhouse School and 25 students had the opportunity to learn about journalism and photography. They hope to expand this project by providing Sud Academy students with digital cameras and other equipment in order to empower them to "tell their story".

In addition, staff members have registered 25 grade eight students and 21 grade twelve students for their final exams at the end of the year.

A Graduate says "Thanks"

Recently, a Sud Academy student who graduated from secondary level last year wrote to us. *Thuch Angelo* thanks the donors who gave of their gifts in order to allow students like him to achieve their goal of a high school diploma.

He writes that life was difficult for him during his school years, but he was thankful for both the education he received at Sud Academy, as well as the daily food that helped him to survive.

He has now returned to Southern Sudan and is employed as a data clerk for an organization from the USA. He writes that he has ***"now entered into the world of self-reliance"***.

Please continue your support for Sud Academy so that we can graduate more youth with so much potential to help their homeland.

Sud Academy exists under the registered charity Canadian Aid for Southern Sudan (BN 86394 8212 RR0001). Our partnering agency in Kenya is Christian Mission Aid (www.cmaid.org). If you are interested in supporting us, cheques can be made payable to "CASS" with "Sud Academy" on the memo line.
